Driving and Parking
Only juniors and seniors are permitted to drive cars to campus. Freshmen and sophomores are prohibited from driving cars to Marin Academy.
Parents and students should familiarize themselves with the parking restrictions and the transportation guidelines described in this section. Failure to comply with these rules will result in disciplinary action following a first offense. Please contact the Dean of Students if you have questions or require additional information about driving or parking at the school.

Carpools
Marin Academy strongly encourages all families to create carpools for transporting students to and from school. A carpool is defined as the driver plus two or more passengers. Priority will be given to the largest carpools. Carpools reduce the number of cars traveling to and from campus, reduce congestion on local streets, and model good, responsible behavior for all members of our community. Student addresses can be found through the school directory at MyMA to assist with forming carpools.

On Campus Parking
On campus parking spaces will be assigned to students who have registered vehicles and submitted a carpool form. Forms are available at MyMA and must be submitted to the Dean of Students by July 1 for the first semester and by December 1 for the second semester. A carpool is defined as the driver plus two or more passengers. Priority will be given to the largest carpools.

All other parking spaces on campus (with the exception of the North Campus Lot) and in the school-owned parking lot on 5th Avenue across from the Cake Art store are open on a first come, first served basis. All student cars must be registered and display the current Marin Academy parking sticker.

The North Campus parking lot (located adjacent to the pool) is reserved for employee use and a limited number of assigned student spaces. This lot closes at 6:30 pm on weekdays and is closed on weekends. Posted Fire Lanes and No Parking areas must remain clear at all times. Parking is not allowed in these areas. In the event of an emergency, illegally parked vehicles may compromise medical access and assistance. These areas are patrolled by the City of San Rafael’s Parking Enforcement Division and violations are subject to fines.
Vehicle Registration and Parking Stickers

The NEW Marin Academy stickers can be picked up at the Attendance desk or from the Dean of Students

MA families must register each family vehicle with the school before the start of the academic year by completing the vehicle registration section on the student’s MyMA profile page under the General Information heading. Each family vehicle must display the NEW MA sticker on the rear bumper of the vehicle. Cars parked on campus or in approved neighborhood streets must have a sticker. Students who park cars either on campus or in the neighborhood without stickers will be subject to disciplinary action.

Neighborhood Parking Restrictions

Students and School employees are prohibited from parking on residential streets north of Mission Avenue. Students are also prohibited from parking on Cottage Avenue during the school day. Parking, waiting, pick-ups, and drop-offs in private lots near the school are strictly prohibited. The school requests that parents and students please be courteous and honor the property rights of businesses and residential neighbors. Please do not park, wait, or plan pick-ups or drop-offs on private property. These restrictions are a condition of the school’s use permit with the City of San Rafael.

Students are prohibited from driving cars during the school day. Student vehicles are restricted for transportation to and from school, unless parents provide written permission for driving away from school during the school day. In these cases, students must also sign in and out at the Attendance Office. Unauthorized driving or riding in a car during the school day will result in disciplinary action.

Disciplinary Consequences for Parking and Driving Violations

The following disciplinary actions will be implemented if a student
- Parks on a residential street north of Mission Ave;
