****Miscellaneous Financial Aid Awarding Policy****

Marin Academy is accredited by the California Association of Independent Schools, which
provides guidelines for what it considers good practice in areas such as admissions and
financial aid administration. We have agreed to follow those guidelines. It is their and our
policy that a student qualifies for miscellaneous aid if and only if s/he is eligible for tuition
assistance. Students who are eligible for tuition assistance may receive up to but not more
than the same percentage as their tuition eligibility (i.e. if a student receives a half tuition
award, s/he qualifies for up to 50% assistance on miscellaneous expenses).
